GAIN NEW JOY IN LIFE

There is no need for you to be tired, nervous, crummy or dissatisfied if due to dietary deficiencies which occur only when the daily intake of B-vitamins and Nicotin is less than minimum requirements over a prolonged period. These non-specific symptoms in themselves do not prove a dietary deficiency and may have other causes or be due to functional conditions.

If you've resigned yourself to a life without companionship... without fun, and parties... simply because you haven't the necessary physical power and energy... BEXEL SPECIAL FORMULA may be just what you need to pep you up... to give you new vim, sparkle... new joy in life.

BEXEL SPECIAL FORMULA the wonderful new vitamin compound may be exactly what you need to put you on your feet again if you... like so many, many others... are suffering from common symptoms of specific deficiencies.
